## Message from the President

By Kathy Kelleher

Summer's in full swing with plenty of Sports Club activities going on, and a big thanks goes to Jon Scarlett for organizing our action packed summer program. We have hiking, biking, aquatic sports, paddle boarding, kayaking canoeing, backpacking and now, rollerblading. Anything else, Jon? Check out the calendar for anything that suits you.

Our club is loosing a special board member, Becky Hinton, our Board secretary :o(. Becky has been on the Board for 3 years and just recently accepted a job transfer to South Carolina. We appreciate all of her years of service to our club, we will miss her, and we wish her the best of luck in her new home, and if things don't work out we would welcome her back with open arms to Park City.

Socially, our TGIFs have garnered excellent participation. I thank all those members who have open their homes, and extended their hospitality for our Friday gatherings. This month another fun event occurs, the annual "Fun in the Sun" Barbeque at Jordanelle State Park on Friday, August 22. So mark your calendar and expect our email blast for details.

Stay safe my friends and Happy Trails,  
Kathy :o)

## Synopsis of Minutes of Board of Directors Meeting, July 1, 2014

By Becky Hinton

The meeting was called to order at 6:50 pm by President Kathy Kelleher. A quorum was present, and the minutes from the meeting of June 3, 2014, were approved as written.

The Board is looking for a volunteer(s) to assist with preparing the monthly newsletter. Any interested Club members should contact Kathy or any Board Member.

As Becky Hinton is relocating out of Park City, the Board is also looking for a replacement for the Board Secretary position, which is responsible for taking notes and preparing the monthly meeting minutes/summary.

Peggy Hanson reported that the Club's membership now stands at 471 members ... a new record.

Thanks to everyone who attended Dogs & Suds last month. It was a very successful event and the Board expressed appreciation to Paddy Mollard and her team of helpers for a job well done.

Mark your calendars for Friday, August 22, for the annual TGIF at the Jordanelle Reservoir.

Jon Scarlet reported that the Paddling kickoff event was well attended, and the paddling/water sports program is now in full swing. They meet every Thursday (weather permitting) at Rockport Reservoir. Gear is available for rent at the Reservoir.

Jan Jaworski is looking for more volunteers to lead Slow Turtle hikes this summer.

The next meeting will be held on August 5, 2014 at 6:30 p.m.

The meeting was adjourned at 9:00 pm.

## ***August Strenuous Hikes***

**Saturday, August 9, 2014, Wall Lake Loop (extended), a semi-strenuous hike.** This is a walk in the park with a little exploration. Depending upon what counts as a lake, we will pass twenty or more. This is the basic Wall Lake loop hike from the Crystal Lake trailhead proceeding counter-clockwise passing such famous lakes as Lily, Wall, Hope, Twin, Clyde, Booker, Three Divide Lakes, Hidden (yes, it is hidden and requires some wandering in the wilderness), Watson, Linear, Petit, Cliff, Crystal and other no names. Perhaps, nine to ten miles, maybe 1,500' elevation gain and five-six hours at a brisk pace to get back to the start. Sometimes there is a well defined trail, other times not so much or just no trail. This is a pleasant way to send some time out-of-doors. Meet at Wasatch Bagels at 8:30 AM to carpool to the trail head. Call with questions: David Anderson, 801.599.0618, [danderson@dcalaw.org](mailto:danderson@dcalaw.org)

**Sunday, August 17, 2014. Mt. Timpanogos, a strenuous hike.** This is supposed to be the most popular hiking destination in Utah. Many believe that the hike via the Timpooneke trail is truly an exceptional Wasatch hike. Using this trail the round trip is 15 miles with a 4,580' elevation gain. The duration is expected to be eight to nine hours at a brisk pace. The trail is well maintained and requires no special skills, however if you experience acrophobia, the approach to the summit will probably be challenging. Because of the driving time please meet at Wasatch Bagels at 7:30 AM to carpool to the trailhead. Bring lunch adequate fluids and the other essentials. For more information contact the leader, David Anderson 801.599.0618, [danderson@dcalaw.org](mailto:danderson@dcalaw.org)

**Sunday, August 31, 2014. Mt. Raymond via Bowman Trail, Millcreek Canyon, a strenuous hike.** Meet informally at Park City Bagel in Pinebrook, to carpool to the trailhead to meet the leader at 9:15 AM. The trail starts at the southern turnabout (furthest from the main road) in the Terraces Campground in Millcreek Canyon. The trail crosses White Fir Pass, Baker Springs and continues up the ridge separating Millcreek and Big Cottonwood canyons to Mr. Raymond. This ten mile hike should require six hours with 3,981' elevation gain. Since the last section of the hike is party in Big Cottonwood Canyon, dogs are not permitted. Bring lunch adequate fluids and the other essentials. For more information contact the leader, David Anderson 801.599.0618, [danderson@dcalaw.org](mailto:danderson@dcalaw.org)
