Please check the Newsletter, if you do not know who is presently on the Board. Please note that Karen Halverson is now in charge of the TGIF's and her phone number is 314-304-4007.

For those that are not familiar with the Bash, here is a short synopsis: Check In at the door by showing your ticket, collect your 2014 Membership Directory, cocktails and wine may be purchased at the cash bar and a great buffet dinner. There will be a short, required business meeting with the election of the new Board Members and a review of the Clubs financials. President's Message

By Sue Johnson

The PCMSC annual Bash will be held on Friday, February 21st at the Yarrow Hotel (see article on front page for details). There will be about 10 minutes of official club business as Stan Hooley, Treasurer gives the annual financial report, Sue Johnson, President will present the new slate of officers to be voted on that night and a few brief announcements will be made. Then let the party begin with a wonderful dinner dance the rest of the evening!

The night of the Bash will conclude my term as President of the PCMSC, as new board members will be voted on. I have had such a wonderful year serving the club and working closely with all of the board members who have each given so much of their time to make the club a great success. A special thank you to this year's current board members: Kathy Kelleher, Vice President; Stan Hooley, Treasurer; Becky Hinton, Secretary; Peggy Hansen, Membership; Jon Scarlet, Summer Activities; Lisa Hunter, Winter Activities; Paddy Mollard, Social Activities; Sylvia Bennion, Communication; Noe Kauhane, TGIF (coordinator from February through December 2013), Karen Halverson, TGIF (taking over Noe's role) and Jeri Brooke, Past President. I couldn't have done it without everyone's contributions, the great working relationship we had and the friends we have become. I would also like to thank the many members who have volunteered to assist in various capacities including activity coordinators, activity leaders (for the skiing, x-country, snowshoeing, hiking, biking and golfing), e-mail blast coordinator, newsletter editor, and the various commitments that so many people have made throughout the year.

I look forward to working with the board next year as the past president, continuing to assist and participate in the many club activities, keep the many friends that my husband Bob and I have made through our involvement with the club and we look forward to meeting many new friends through the coming years. I anticipate that the membership will continue to grow (we are at an all time record high of over 450 members) and the club offerings continue to expand as well. And finally, I want to thank the membership for allowing me the opportunity to serve as President during this past year. See you all at one of the many fun club activities – this truly is an awesome group of people!

Saturday February 15, Full Moon Back Country on Skis

with Lisa Hunter

In response to requests for more Saturday events, Lisa Hunter, Winter Sports Director, will lead a Full Moon cross country ski outing. Mark your calendar with the full Moon that falls on February 15, 2014, and plan to meet fellow club members for more strenuous back county/x-country moonlight tour.

Serving as an example of desired PCMSC activities, Lisa invites suggestions and leaders for Saturdays in February and March. Her volunteer commitment at Park City Mountain Resort requires member's to submit ideas for scheduling, designation of leaders, and planning. Lisa said she would co-lead with anyone for a snowshoe or cross-country, and invites members to contact her.

February 2014

Synopsis of Minutes of Board of Directors Meeting, January 7, 2014

By Becky Hinton

The meeting was called to order at 7:55 pm. All Board Members were in attendance, with the exception of Karen Halvorson.

Jeri moved to approve the minutes from December 3, 2013, and Kathy seconded the motion. The motion was approved.

The Slate of Officers was reviewed and approved by the Board and will be presented to membership at The Bash on February 21.

Stan reported that the 2013 books are closed out and the financials are in great shape. Expenses came in slightly under budget for the holiday party. Stan will prepare a summary of the 2013 actuals and the 2014 budget to be presented at the Bash. The Board thanked Stan for his hard work in keeping our books clean and accurate.

Club membership continues to be strong with over 400 members.

Discussion was held regarding the start time for TGIF's. It was decided that the start time will remain at 6:00 pm through the end of ski season, and then we'll revisit the timing for the summer. Restaurants prefer that we start as early as possible.

Paddy has secured City Park for Dogs & Suds on June 20. Mark you calendars.

A few suggestions were made for some additional winter activities. Lisa will look into full moon hikes, as well as skate skiing and classic skiing lessons. Lisa is looking for individuals who are willing to lead snowshoe hikes and cross country skiing. Please let her know if you are interested.

Jon is looking into the possibility of offering overnight backpacking trips for the summer. More information will come.

Jeri has renewed the Club's website contract for three years to get the best possible price.

The next meeting will be held on Tuesday, February 4, 2014 at 6:30 p.m., at Ruby Tuesday's.

The meeting was adjourned at 9:40 pm.

Continued PCMSC Ski Activities February 2014

We have expanded our ski groups to the Cottonwood Canyons, and you can be placed on an email list for that ski area by notifying the appropriate ski leader: Jay Frankenfield for Brighton (jfrankenfield@icloud.com), Diane and Paul Schnarr for Alta (paschnarr@hotmail.com), and Chuck Mollard for Snowbird (chuckmollard@gmail.com). Whenever that group will ski you will be notified in advance by an email blast. IMPORTANT: you will not get these email blasts unless you are on their email list. Our regular ski program begins on Jan 1, but our Brighton, Alta and Snowbird skiing will begin before Jan 1.

If the weather is questionable (too windy, too cold) please check with leaders (by 8:30 am) to be sure the ski day has not been cancelled.

Contact Bub Carlson, PCMSC Ski Coordinator, at pcutbub@gmail.com/ if you have any questions. More ski information is on the skiing page of the club website at <http://www.pcmssc.org/>.

Cottonwood Ski Days

Alta Paul Schnarr will email the PCMSC group who have expressed an interest in Alta skiing to announce a ski day at Alta. The group will ski powder, mostly through trees, when conditions permit. Early and late season days, we may ski groomed runs if there is any interest. We will meet at the bottom of Collins lift at 10:00 am. On powder days some will get there at 9:00 am (or whenever a road closing and opening permits) and re-group at 10:00. If you are late, please call Paul's cell at 801-647-2127 to arrange a meeting. Please contact Paul (801-943-9056 h or paschnarr@hotmail.com) to join the group. Paul is not expecting a large regular group, so if anyone wants to ski Alta, call him and he will probably be willing to go.

Snowbird Chuck Mollard (917-881-9022 c or chuckmollard@gmail.com) will lead black-double black skiing off the tram at Snowbird during the months of January through April 2014. He may start earlier in the season, if there is a lot of early snow. The group should plan to meet at 10:00 am sharp at the tram plaza level in front of the ticket window. Please be sure you are ready to go at 10:00 as the group will not be waiting for bathroom breaks or getting tickets. We all are there to ski! If anyone wants to get in some first tracks, Chuck will be at the meeting location at 08:30 to get the first tram which departs around 9:00 AM and thus get one or two runs before meeting the rest of the group.

He suggests, the easiest place to park is on the Alta By-Pass Road below the helicopter pad and then ski down to the plaza. At the end of the day, the group can ski down to their cars.

The Snowbird days will be scheduled based on anticipated above average snow conditions. As a result, the notice for a scheduled ski day at Snowbird will be sent out via an email blast the evening before. If you wish to be notified, you need to send Chuck an email so he can put you on the Snowbird email blast list. Upon receipt of his email blast, he would appreciate a return email if you plan to ski Snowbird the following day so he know how many people to expect. However, if you change your plans at the last minute he will understand as there are no friends on a powder day. Your email to Chuck should advise your cell phone number so any last minute changes can be advised by text or personal call.

The plan is to have two or three Snowbird ski days each month there is favorable weather.

If Little Cottonwood Canyon Road is closed for avalanche clearance, please call Chuck on his cell to see if there is an alternative plan.

Please note that Club members who are using a Snowbird ski pass obtained from buying a Season Pass at one of the other resorts are reminded to bring both your season pass for the other resort as well as the Snowbird pass as they will have to be presented at the ticket window to get you day ticket, which will include the tram.

Continued PCMSC Ski Activities February 2014

Brighton Jay Frankenfield (jfrankenfield@icloud.com) will email the PCMSC "Brighton Bunch" to announce ski days at Brighton. The group will ski mostly trees and powder whenever conditions permit. Normally, we will meet at the bottom of the Crest Lift at 10:00. However, on select powder days, Jay's email announcement will include an earlier start time so we get the best powder. If you have a Brighton pass, you can park close to the Crest Lift and walk directly to the lift avoiding the ticket windows and a longer walk. (Note, there are restrooms beneath Molly Green's so you can use those facilities and still park close to the Crest Lift.) If you are late, please call Jay's cell (435-901-2744) and we can arrange to meet.
