President's Message

By Sue Johnson

I hope everyone had a wonderful Christmas/Holiday!

Now that 2014 is here and the busy Holidays are behind us, I hope to see everyone at our many PCMSC activities.

The Holiday party on Saturday, December 7th at the Marriott on Sidewinder was another great success! Thank you to the many people who attended and danced the night away to the Dizzy Desoto Band. Thank you to Jon Scarlet who captured the many fun moments of the evening with his great photography! And a special thank you to Paddy Mollard for all the work she put into coordinating and making this evening such a special event for everyone!

Lisa Hunter has already put together many dates for X-country and snowshoeing activities. Bub Carlson has also coordinated many downhill ski days. If you would like to lead any of these activities, please reach out to Lisa. Please see the details below for specific dates and time.

Karen Halverson has done a great job at scheduling her first month of TGIF's for the club during the month of January. If anyone would like to host a TGIF in their home in future months, please contact Karen.

The Club's annual Bash will be here before you know it! It is being planned for the last weekend in February or the first week in March. As soon as the date is confirmed we will send out a save-the-date email. We hope to see many of you at this fun event.

Wishing everyone a Happy and Healthy New Year!

SOCIAL CALENDAR *Save the date*

A thank you is extended to everyone who participated in the Holiday Dinner Dance. We and really did "dance the night away" - including a couple of extra songs. It was an enjoyable way to get together and start the Holiday Season. Moving forward, another great night with a buffet dinner, dancing and a full cash bar will be scheduled for end February.

Hold the date for our annual Bash, which is targeted for February 21st, 22nd or 28th. There will be a short, required business meeting, with budget review and approval of the 2014 Board of Directors. Then the fun will begin! Look for full details in the February Newsletter and by an E-mail blast once the venue and date is set.

TGIF Update

As many of you know, Noe Kauhane, has relocated to Denver. Karen Halverson has been "elected" to fill her shoes, and is in the process of making arrangements for future Friday gatherings. Because public venues are more difficult to book in winter, Karen invites club members to contact her to participate as a pot-luck host.

Please be advised that host does NOT have to provide an entrée, all plates and eating utensils are provided by the club, and tables can be made available. As this is BYOB host, one only needs to provide the venue. If you are able to host a TGIF, please contact Karen at khalverson01@gmail.com. Thank you!

Synopsis of Minutes of Board of Directors Meeting, December 3, 2013

By Becky Hinton

The meeting was held at the home of Jeri Brooke and was called to order at 7:45 pm by vice president, Kathy Kelleher. Board members in attendance were Stan Hooley, Kathy Kelleher, Becky Hinton, Peggy Hanson, Paddy Mollard, Noelani Kauhane, Karen Halverson, Lisa Hunter, Jeri Brooke. Chuck Mollard attended on behalf of Jon Scarlet.

A quorum was present. Minutes of the November 5, 2013 meeting were approved.

The proposed budget for 2014 as completed by the Finance Committee was presented to the Board. Taking into account the financial results from the past five years, and the fact that the 2013 results will be very favorable, the Committee developed the 2014 budget on a break-even basis. Jeri moved that the 2014 Budget be approved and Kathy seconded the motion. The Budget was approved.

Final details for the December 7 Holiday Party were discussed and it promises to be a great evening. Paddy is now working on the location and date for The Bash, which will be either the lat weekend of February or the first week of March. The Appreciation Dinner to recognize members who have lead events and volunteered in other capacities is scheduled for April 5, 2014.

The Board welcomed Karen Halverson, who will assume the TGIF Board position as of January 1. The Board also expressed appreciation to Noe for a great job with the TGIF's the past two years and wished her well as she relocates to Denver.

Karen has the January TGIF's lined up. Members who would be agreeable to hosting a pot luck in their home for February and March are asked to please contact Karen.

Lisa reported that Don Jacobs has agreed to lead cross country skiing on Thursdays through the winter. At Kathy's suggestion Lisa will look into some new winter activities for the Club, e.g., a sleigh ride at the Homestead, snowmobiling at Daniels Summit. Lisa would welcome suggestions from club members as well.

The slate of officers for 2014-15 was presented to the Board. Paddy moved that the slate be accepted and Peggy seconded the motion. The motion passed and the slate will be presented to membership for approval at The Bash. The next meeting will be held on Tuesday, January 7, 2014 at 6:30 p.m., at Paddy and Chuck Mollard's home. The meeting was adjourned at 9 pm.

PCMSC ski plans for the 2014 season

Remember our regular ski schedule starts on January 1, 2014. Every Friday all PCMSC members will get an email blast with the details of the ski schedule for the week. There is a standard ski schedule we will follow (see below), but some ski leaders will make changes to their program from week to week. We have already started skiing in the Cottonwood Canyons; so add your name to the contact list for one of those ski areas if you have not already done so (see below).

We are continuing to add new ski groups to our schedule for the next season. Perhaps our existing schedule does not meet your needs for skiing at a particular ski area on a particular day or at a specific difficulty level--then create a new group to meet your needs. You can experiment with your group for just a week or two if you wish. We can be very flexible! If you would like to lead a new ski group, contact Bub Carlson at pcutbub@gmail.com.

Standard Weekly PCMSC Ski Schedule for 2014

The group will not stop for lunch, but will stop around 2:30 or 3:00 for happy hour at Baja Cantina. Wednesdays, at PCMR: John Logan (801-243-6833) will lead a dbl blue, black group including tree skiing and Bette Scarlet (658-0390 h, 508-769-6975 c) will lead a blue, dbl blue group.

The group will not stop for lunch, but will stop around 2:30 or 3:00 for happy hour at Baja Cantina. If you are doing something else earlier you are still welcome to join them for some cheap margaritas or beers, cheap appetizers, and fun!

Fridays, at PCMR: Don Jacobs (901-2356) will lead a blue, dbl blue group.

Fridays, at Canyons: Herb Lichtenstein (401-868-5758 c) will lead a dbl blue, black group including tree skiing.

Saturdays, at PCMR: David Anderson will lead a dbl blue-black group including tree skiing; for questions contact David at 801-599-0618. He will always lead on powder days; if not a powder day he will only lead if you contact him in advance.

GROUP MEETING INFORMATION: We will always begin skiing at 10:00 am SHARP (except Tues & Thurs at PCMR) so make sure you have gone to the restroom in advance; it is not reasonable to expect a group to wait in the cold for anyone who is not prompt! These are our standard meeting locations: DV—the “beach” at Silver Lake in between the restaurant and Sterling lift; PCMR—top of Bonanza lift next to the demo shack; Canyons—inside Red Pine lodge at the top of the gondola; Brighton--base of Crest lift (earlier on powder days); Alta--base of Collins lift (above Goldminer’s Daughter); Snowbird--on the plaza near the ticket windows. Most of these locations are one or two lifts up in the ski areas, so make sure you allow yourself plenty of time to get to the meeting places after you arrive at the ski areas.

We have expanded our ski groups to the Cottonwood Canyons, and you can be placed on an email list for that ski area by notifying the appropriate ski leader: Jay Frankenfield for Brighton (jfrankenfield@icloud.com),

CONTINUED ON P.7. SKIING

CONTINUED FROM P.6. SKIING

Diane and Paul Schnarr for Alta (paschnarr@hotmail.com), and Chuck Mollard for Snowbird (chuckmollard@gmail.com). Whenever that group will ski you will be notified in advance by an email blast. **IMPORTANT:** you will not get these email blasts unless you are on their email list. Our regular ski program begins on Jan 1, but our Brighton, Alta and Snowbird skiing will begin before Jan 1. If the weather is questionable (too windy, too cold) please check with leaders (by 8:30 am) to be sure the ski day has not been cancelled.

Contact Bub Carlson, PCMSC Ski Coordinator, at pcutbub@gmail.com/ if you have any questions. More ski information is on the skiing page of the club website at <http://www.pcmssc.org/>.
Cottonwood Ski Days

Alta Paul Schnarr will email the PCMSC group who have expressed an interest in Alta skiing to announce a ski day at Alta. The group will ski powder, mostly through trees, when conditions permit. Early and late season days, we may ski groomed runs if there is any interest. We will meet at the bottom of Collins lift at 10:00 am. On powder days some will get there at 9:00 am (or whenever a road closing and opening permits) and re-group at 10:00. If you are late, please call Paul's cell at 801-647-2127 to arrange a meeting. Please contact Paul (801-943-9056 h or paschnarr@hotmail.com) to join the group. Paul is not expecting a large regular group, so if anyone wants to ski Alta, call him and he will probably be willing to go.

Snowbird Chuck Mollard (917-881-9022 c or chuckmollard@gmail.com) will lead black-double black skiing off the tram at Snowbird during the months of January through April 2014. He may start earlier in the season, if there is a lot of early snow. The group should plan to meet at 10:00 am sharp at the tram plaza level in front of the ticket window. Please be sure you are ready to go at 10:00 as the group will not be waiting for bathroom breaks or getting tickets. We all are there to ski! If anyone wants to get in some first tracks, Chuck will be at the meeting location at 08:30 to get the first tram which departs around 9:00 AM and thus get one or two runs before meeting the rest of the group.

He suggests, the easiest place to park is on the Alta By-Pass Road below the helicopter pad and then ski down to the plaza. At the end of the day, the group can ski down to their cars.

The Snowbird days will be scheduled based on anticipated above average snow conditions. As a result, the notice for a scheduled ski day at Snowbird will be sent out via an email blast the evening before. If you wish to be notified, you need to send Chuck an email so he can put you on the Snowbird email blast list. Upon receipt of his email blast, he would appreciate a return email if you plan to ski Snowbird the following day so he know how many people to expect. However, if you change your plans at the last minute he will understand as there are no friends on a powder day. Your email to Chuck should advise your cell phone number so any last minute changes can be advised by text or personal call.

The plan is to have two or three Snowbird ski days each month there is favorable weather. If Little Cottonwood Canyon Road is closed for avalanche clearance, please call Chuck on his cell to see if there is an alternative plan.

Please note that Club members who are using a Snowbird ski pass obtained from buying a Season Pass at one of the other resorts are reminded to bring both your season pass for the other resort as well as the Snowbird pass as they will have to be presented at the ticket window to get you day ticket, which will include the tram.

Brighton Jay Frankenfield (jfrankenfield@icloud.com) will email the PCMSC "Brighton Bunch" to announce ski days at Brighton. The group will ski mostly trees and powder whenever conditions permit. Normally, we will meet at the bottom of the Crest Lift at 10:00. However, on select powder days, Jay's email announcement will include an earlier start time so we get the best powder. If you have a Brighton pass, you can park close to the Crest Lift and walk directly to the lift avoiding the ticket windows and a longer walk. (Note, there are restrooms beneath Molly Green's so you can use those facilities and still park close to the Crest Lift.) If you are late, please call Jay's cell (435-901-2744) and we can arrange to meet.
