

## Park City Mountain Sports Club

September 2017

## President's Message

Wow, another month with activities every day for our members' enjoyment, all organized by other members. The month went so quickly; it is hard to believe I am writing this message already. Our club rocks, and it rocks due to the behind the scenes work by all of our volunteers!

If you ever wondered how the summer sports events happen, they start with our summer sports director, Chuck Mollard. Chuck assists a crew of monthly coordinators who recruit volunteers to organize road bike rides, leisure, moderate and strenuous hikes, leisure bike rides, paddling, tennis, 18 hole golf, and 9 hole golf for each month. In addition, any member that has a new summer activity or event can submit this event to Chuck for consideration.

Looking back at our August activities, I would like to highlight a few volunteers:

- Special thanks to Stacie Hogan for organizing both the moderate hikes and tennis for August. Please join me in giving a big thanks to Stacie for her efforts.
- Lyn Nydel found a totally new activity for us to enjoy: rafting the Weber River. Forty of us enjoyed a guided river rafting trip on the Weber River. Following the raft trip, many enjoyed lunch together at Taggert's Grill. Please join me in giving a big thanks to Lyn for her efforts in finding something new and fun for us all to enjoy.
- In addition to organizing and leading many of the mountain bike activities for the season, Don Winsor initiated and led disc golf. For September, Don Winsor is in the process of planning a weekend of activities in Moab. If you plan to participate, be sure to RSVP.
- Howard Cox has stepped in and organized our TGIF activities for the month while Dan Albano, our TGIF director is traveling in Alaska.
- For those of you that enjoyed our leisurely hikes this season, Donna Sims and Ruth Duenser initiated and organized the leisure hikes. Donna and Ruth will be traveling out of town soon and need help organizing and leading the September and October leisure hikes. If you can help, please contact Donna.
- John Ritter organized a hike and tour of Timpanogos Cave National Monument that was enjoyed by all that attended.

The club is healthy from both a financial and member perspective due to the constant maintenance of our treasurer, membership and communication directors. John Miller maintains club financial records while Sharon Heckman keeps track of all the new and renewing members. Once Sharon processes member applications, Howard Kantor takes over with communications to welcome new members and also responds to inquiries.

Volunteer leaders are still needed to fill in more activities in September. Ed Tarmey is looking for additional moderate hike leaders and Bob Gurss is looking for additional road bike leaders. As mentioned before, Donna Sims could use help with leisure hikes. Please check with one of them if you can help out.

Hope to see you at or leading a club event in the near future.
