

Park City Mountain Sports Club

November 2017

President's Message

The summer flew by so quickly thanks to our Officers, activity coordinators and volunteers. As we make the transition from summer sports, let's reflect back on what a truly amazing season we had with fellow sports club members. From May through the end of October, opportunities abounded for members to participate in club activities. Take a look at the table below to see a summary of all the Sports club had to offer throughout the season. Please don't forget to thank our leaders and coordinators. I am now looking forward even more to winter and more personal interaction with my family of friends here in Park City.

Our Winter Activities Officer, Ellen Sherk did a fantastic job leading the Grand Canyon trip and has now switched gears and is focused upon preparing a winter of spectacular events. We hope to have many activities from snowshoeing, alpine skiing, Nordic skiing and snow sculpting. If there are new or expanded winter activities that you would like to see offered, please contact Ellen and offer to help organize. We still need leaders to help make all these events happen, so please contact Ellen and offer to lead.

Our Social Officer, Paddy Mollard and her coordinators did an outstanding job with the Dog & Suds, Jordanelle, and Halloween parties. Paddy is now busy planning our annual Holiday Party. The party will be held December 9 at the Marriott Sidewinder. Get your dancing shoes out and be ready to have a good time.

November is here and it is time to renew our club memberships. Annual membership is \$25 per person per year. Please fill out and sign your membership form, and send it with your check to our Membership Officer, Sharon Heckman. Click [here](#) if you need to download the form. It is important to get the forms in now so your names will be included in the annual directory.

Considering we have moved to less emails and more reliance on the club calendar for announcements I put together a document with a couple tips that may help members quickly navigate the calendar on their smart phones. Click this [link](#) to download the document.

I would like to take this opportunity to extend a very Happy Thanksgiving to members and their families. I am thankful every day for all the friends I have met and good times I have experienced since I joined the Park City Mountain Sports Club.

President
