

Park City Mountain Sports Club

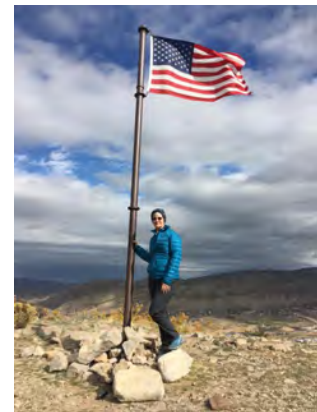

December 2017

President's Message

I hope everyone had a wonderful Thanksgiving as we have so much to be thankful for, living in our beautiful resort town. We sometimes fail to realize how lucky we are, others not in Park City have to drive here, ski, hike or bike then drive home or pay to stay overnight. We welcome all our winter residents back to Park City and pray for snow to keep them happy while here.

Ellen Sherk did a fantastic job of hosting the Winter Sports Kickoff. As always, we welcome any of you who wish to lead snowshoe, yaktrax, cross country skiing, alpine skiing and any other winter activity you would like to propose. Each year we have more members who participate and with those increased member numbers, more events would be welcome. We still need leaders to help make all these events happen, (consider leading a hike until the snow falls) please contact [Ellen](#) and offer to lead.

Paddy Mollard, our Social Director, has been working hard on the Holiday party which is on Saturday, December 9th at the Marriott on Sidewinder. I hope you will join us for a festive evening of wonderful food, great friends and fabulous entertainment. Our gala begins with mingling, beverages of your choice and a variety of appetizers during the

cocktail hour followed by a served dinner. Dancing to live music by Countdown, a great cover band playing a variety of dancing tunes will provide the exercise needed to work off the food. Reservations must be postmarked by December 1, 2017, more information can be found [here](#).

A gentle reminder to please renew your club membership as quickly as possible. Sharon Heckman, our Membership Officer will be sending out a few more reminders. By renewing early, Sharon is able to finish up her work and play on the mountain like the rest of us. So please do not delay in getting those memberships in as quickly as possible. You can download the form [here](#).

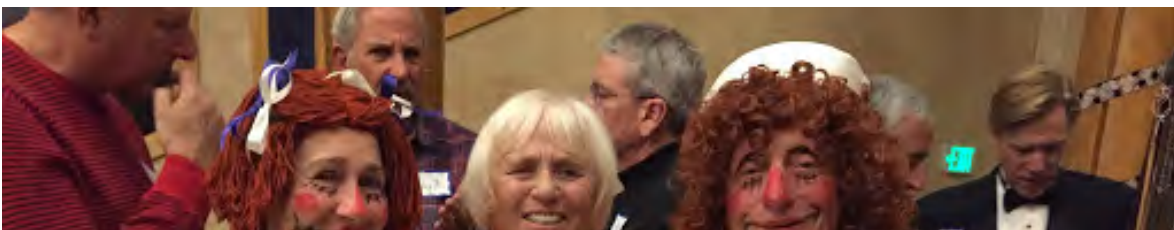

We wish you all the best for a great Holiday Season. May each of you delight in the magic of the holidays and may your hearts be filled with laughter and merriment! Have a happy, healthy and safe Holiday!

Jeri Brooke
President
