Park City Mountain Sports Club

January 2018

President's Message

The start of a new year presents the opportunity to reflect on past events, as well as plan for the future. When I look back on last year, I think how fortunate I have been to work with the current board. They have been focused on meeting the club's goals and are diligent in their work and a true pleasure to work with. My contributions are small compared to all those who plan, organize and conduct the events and activities we all enjoy.

Special thanks are in order for our officers and their helpers:

- Dan Albano with his helper Howard Cox, tirelessly perform the time consuming position of organizing weekly TGIF events for the club.
- The numerous club sporting events have been well attended throughout the year, which is evidence of jobs well done by our summer and winter sports officers. Thanks to Ellen Sherk and Chuck Mollard, the Winter/Summer Sports officers and all those who have assisted.
- Paddy Mollard and all her helpers made our social events sparkle. These are the club's signature events which include Dogs N Suds, Jordanelle Picnic, Halloween Party, Holiday Party and the annual membership meeting or Bash. Paddy has delivered for each of these, which is critical in maintaining the club's operating budget.
- Club financial affairs have been managed carefully by our treasurer, John Miller.
- Howard Kantor manages club communications with the help of Jean Rusk who

manages daily email notices and our summer and winter sports directors who manage calendar entries.

- John Ritter our secretary takes copious notes and provides invaluable business acumen in monthly meetings.
- Sharon Heckman our membership chair constantly maintains the club membership records and sends welcome letters to our new members.
- John Logan our Vice President has helped keep our meetings on track and provides financial assistance and background information to our treasurer as needed.
- Sheree Anshel, our past president has been a huge help in providing background information and assistance to me throughout the year.

In closing, I extend a HUGE Thanks to the current Board of Directors who helped make this year so much fun. Our membership numbers are the highest ever in the history of the club and are still growing! Thanks also are extended to each and every member, whose enthusiasm, participation, and involvement make the Park City Mountain Sports Club one of the finest in Utah. See you on the mountain or at one of our social gatherings!

Jeri Brooke
President
